CONGRATS!

Thanks so much for getting in touch with us about your upcoming, special day – big hugs and congratulations again for sealing the deal!

An abundance of starry-eyed happiness and clinking of glasses await, and we'd absolutely love to be a part of your celebrations. As a small team, we adore capturing the raw, unabashed connection between two souls, embracing the essence of your romance.

Why we can't wait to document your day

From stolen glances to cheeky kisses and getting loose on the d-floor, we'll be there to document your love story (and all the fun bits). We'll even make sure to snap authentic moments that may've slipped by unnoticed – there're the best ones!

Whether you want us to inconspicuously lurk in the shadows, snapping candid shots or be right up the front, rounding everyone up for group photos, we'll be the chameleon you need on the day. Either way, we'll be behind the lenses, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever memorialise your day. When you look through the photos memories will come to life and it'll be as though you're right there doing it all over again.

96 WEDDING CO.

We love to capture the interesting and exciting scenes of life's seminal occasions, both big and small. An inspiring speech, a hug at sunset, a couple dancing, these are the moments that motivate us each and every day.

Since 2017, we've been working as a professional Wedding Videography and Photography Team in Adelaide, Australia then we expanded the team to Sydney, New South Wales. We're always excited to meet new people and help them capture those unique moments and special events in Australia.

In 2020, we decided to build up our website so as to reach out to more people and so as to expand our team.

KIND WORDS

Amazing work and beautiful people. Khai and his team at 96 wedding co were so easy to work with leading up to our wedding day. He was easy to communicate with and responded very quickly. On the day he was not only professional but funny and easy going. Our photos were edited beautiful and our wedding video is hands down the best wedding video I've seen. He got to know us and understand our lives and reflected that in our unique video. So very thankful to 96 wedding co for capturing our special day so beautifully.
