"UNSCRIPTED MOMENTS. TIMELESS STORIES"

96 STUDIO

ABOUT US

96 STUDIO VIETNAM is a team of wedding photographers and filmmakers capturing real love stories across Vietnam and beyond.

96 STUDIO loves capturing and telling love stories by films and photos. We used to live in Sydney, AU and we've had the privilege of telling love stories for over 5 years.

Each couple is unique, and our approach is to tell your story in an authentic, raw, and emotional way. Your wedding is an unforgettable chapter of your journey together, and we are here to help you relive it forever as it is.

THE TEAM

At 96 Studio, we don't execute a wedding show through industrial camera angles or forced, scripted prompts. Instead, we approach each milestone as a filmmaker gathering raw, organic materials to craft a one-of-a-kind cinematic masterpiece. That journey begins by listening to the "undercurrents" of your story—the family heritage, the meaning behind your traditional attire, or the divine appointments that brought two distinct souls together as one.

"WE DON'T JUST CAPTURE WEDDINGS, WE TELL YOUR STORY."

THE MOMENTS

"EMOTIONS CANNOT BE PUT INTO WORDS; THEY ARE MEANT TO FLOW EXACTLY
AS THEY ARE. WE ARE SIMPLY HERE TO PRESERVE THAT MAGIC FOR YOU."
